

Stepping Stones Triple P Group

For families with a child who has a disability

The Parent Support Team will hold a Triple P (Positive Parenting Program) Stepping Stones Parenting Group especially for Catawba County families with preschool aged children! Participating parents will learn positive parenting strategies through observation, discussion, practice, and feedback. Each family will receive a "Stepping Stones Triple P Group Workbook" that outlines the session material and provides the opportunity for personal goal setting and reflection. Between the 5th and 6th sessions, parents will participate in 3 weekly one-on-one phone consultations with the facilitator.
